## DECLARATION OF COMPLIANCE

with

### REACH Regulation - SVHC Update

We hereby declare that our products do not contain, as intentional ingredients of our formulations, in concentration > 0.1% (by weight) SVHC substances listed in the Candidate list of 28.10.2008 and updated on 17 January 2022 by ECHA European Chemicals Agency at the following link:

<https://echa.europa.eu/candidate-list-table>

We also confirm that: - our products do not contain substances subject to authorization in accordance with Annex XIV of the REACH Regulation. - the substances present in Annex XVII are not intentional components in our products and any residual presence is indicated in section 15 of the relevant SDS.

This statement is based on our current knowledge of the raw materials, the manufacturing process and the equipment used.

However, no specific analyses are conducted to assess the possible presence of these contaminants in production batches.
